### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Allison M. Tulino (Reg. No. 48,294) on 12/13/2007.

The application has been amended as follows:

**In the claims:**

Please cancel claims 1-10 and 21-36.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of record, namely, Gase (U.S. Patent No. 6,184,996), and/or Nishi (U.S. Patent No. 6,075,616) do not disclose, teach or suggest, wherein said job request section sends said job request to said host computer, according to a condition of said print engine and said receive buffer memory, wherein said job request section receives job location data showing a location of said job data from a print server, wherein said job request section sends said job request to said host computer which said job location data shows, wherein said job request section can specify a part of said job data for said host computer when said job request section sends said job request, wherein said

printing section receives only said specified part of said job data sent from said host computer in response to said print request from said job request section and prints it, and wherein said specified part of said job data comprises a portion of plural data forming a page of said print job, as claimed in independent claim 11.

The prior art of record, namely, Gase (U.S. Patent No. 6,184,996), and/or Nishi (U.S. Patent No. 6,075,616) do not disclose, teach or suggest, wherein said job request is sent to said host computer, according to a condition of a print engine and a receive buffer memory of said printer, and receiving job location data showing a location of said job data from a print server, wherein in said step of demanding, said job request is sent to said host computer which said job location data shows, wherein, in said step of demanding, a part of said job data can be specified for said host computer, in said step of printing, only said specified part of said job data sent from said host computer in response to said job request is received and printed, and wherein said specified part of said job data comprises a portion of plural data forming a page of said print job, as claimed in independent claim 16.

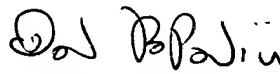

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
